NOTICE OF PROPOSED ACTION

The Division of Environmental Protection invites comments from the public on its tentative decision to reissue the Water Pollution Control General Permit GNEV 93001.

The Administrator of the Division has received an application from the Nevada Field Office of the National Nuclear Security Agency, Nevada Site Office, P.O. Box 98518, Las Vegas Nevada 89193-8518, for the re-authorization of the permit for sewage collection, treatment and disposal on the Nevada Test Site.

The proposed permit, application and supplemental information will be available for public review and comment for a period of thirty (30) days beginning July 7, 2005 and ending August 5, 2005. All interested parties may review these documents during standard business hours at:

- 1.) Bureau of Federal Facilities
Nevada Division of Environmental Protection
1771 East Flamingo Road, Suite 121-A
Las Vegas, Nevada 89119-0837
tel. (702) 486-2850
- 2.) National Nuclear Security Agency
Nevada Site Office
Public Reading Facility
2621 Losee Road
North Las Vegas, Nevada 89030
tel. (702) 295-1623

Any individual may comment on the terms and conditions expressed in the Draft Permit to the Chief, Bureau of Federal Facilities in Las Vegas, Nevada, during the public participation period listed above. All comments will be considered in the final determination to reissue the permit or to deny the application.

Any interested person, group, or agency can request the Administrator to conduct a public hearing with respect to matters related to the tentative determination to reissue the permit. Each request must be received by the Las Vegas Office of the Nevada Division of

Environmental Protection, at the above location, not later than August 5, 2005. This notice and additional supporting information can be found on the State of Nevada's web page at:
